Many people still love shopping in physical stores. Touching real goods and talking with shop assistants face to face is a warm experience. Here is a talk between a shop assistant and a customer in a clothing store.

Shop assistant: Good afternoon! Welcome to our store. Can I help you?

Customer: Good afternoon. I want to buy a new sweater. My old one is too small for me now.

Shop assistant: We have many new sweaters. What size do you wear? Small, medium or large?

Customer: I usually wear medium. And I like red best.

Shop assistant: Look at this red sweater. It is made of pure cotton. Cotton clothes are more comfortable than silk clothes in cool autumn days.

Customer: It looks nice. Can I try it on?

Shop assistant: Of course. The fitting room is on your left.

(Five minutes later)

Customer: Thank you. This medium size is a little tight. Do you have a larger size?

Shop assistant: Yes, here is the large one. Please have a try.

(Three minutes later)

Customer: Perfect! It fits me well. How much is it?
